

VISION 4 THE MISSION

Mexico | Honduras | Latin America
Mexico | Honduras | Latin America

God has given us a goal for this year to see a total of 7,000 Churches and DBS before the end of the year. The work began in 2008 and to date there are around 3400 DBS and Churches that have been planted.

1 Corinthians 15:10

But by the grace of God I am what I am: and his grace which was bestowed upon me was not in vain

1 Corinthians 15:57

But thanks be to God, which giveth us the victory through our Lord Jesus Christ.

You are touching nations through your giving and prayers!*

In January 2016 I made a trip down to Honduras to share the vision that the Lord had given me for the year. I was concerned because I didn't know how the brothers in our team we're going to accept such a huge and impossible to reach goal. We spent a month or so praying for the success of this trip. Through much prayer, fasting and seeking the face of God, He began to give us a peace and He let us know that everything was going to be OK. As soon as we felt that peace I bought my ticket, began to pack and was ready for my trip. A day or so before my trip to Honduras I was driving into the parking lot of a local business and all of a sudden the Holy Spirit spoke to me. The Holy Spirit said, "Keith if you want to be a great leader you must be willing to make a great sacrifice". He also spoke to my spirit and said, "You are not a prince, **you are a soldier and soldiers must pay a high price**". Anyway I was able to go and share the new goals and encourage the brothers and everyone seemed to have the faith to believe that with Gods help it could be done.

To the Glory of God!

There are nearly 3,400 groups and churches as a result of the work begun since 2008.

Over 20,000 people have been reached and are actively involved in a Church or Discovery Bible Study!

You and I have made the difference!

Thank You for supporting this Work of God!

Thousands of people are coming to Christ!

The Vision is Growing

Talking about paying a high price! I can think of people like the apostle Paul and many of the great leaders in the Bible who paid tremendous prices for their faith. Their faith was the most dearest thing that they had. Back then people treasured what they believed. In those days a man was only as good as his word. And they had the utmost confidence in the Word of God because God had proved to His people that He was as good as His word. I can also think of the modern persecuted church who are paying a tremendous price for their freedom to worship Christ even today.

We in America have come accustomed to an easy, no cost, no price or personal sacrifice Gospel. We wonder why our churches are dead. We wonder why we don't experience the same power of the Holy Spirit that other people in other countries are experiencing. We wonder why God is not moving the way He moves in other countries. We have developed an attitude of entitlement. Somehow we think that God owes us something and that He has to move among us the same way that He moves among others. All the while we become frustrated with God because we have not been able to experience His power. A sense of jealousy arises within us but not enough to cause us to be willing to pay whatever price to feel His presence and to see His power.

I am reminded of what the Spirit spoke to me on that beautiful day. **"If you want to be a great leader you must be willing to make a great sacrifice."** I also believe that if we want a great harvest we must be willing to make a great sacrifice.

I am convinced that there are still people in America who hold their faith close to their heart. There are still people who are willing to pay whatever price, whatever sacrifice, whatever the cost. It is those people that must rise up to the occasion and believe in their God. Believe in their God enough to take a stand for Him and to proclaim His name on every mountain top until every nation, tribe and tongue has heard of Him.

We thank God for each of our supporters. We know that God has given us people who seek after the heart of God and who will support us financially and in prayer.

You are the people who are making a difference. You are the people who are changing nations. You are the people who are proclaiming Christ through each missionary and ministry that you support.

One day when it's all said and done, when it's finally over, when we're standing before the throne of God, you will receive your reward.

Prayer request:

1. Pray for financial provision.
2. Pray for anointing.
3. Pray for wisdom and direction.
4. Pray for many to come to Christ this year.
5. Pray that the Lord would allow us to reach our goals for the year.
6. Pray for each of our team members and their families to be strengthened, protected, blessed and encouraged. Their names are Daniel, Mari, Mario, Tesla, Oscar, Mary, Adiel, Jacobo, Marie, Carlos and Beto.

So, the question is, what price are we each willing to pay in order to see the great commission fulfilled?

No, I'm not talking about money. I'm asking us to ask ourselves what are we willing to give up for God?

(2 Samuel 24:24)

The king said to Araunah, "No; but I will most certainly buy it from you for a price. I will not offer burnt offerings to Yahweh my God which cost me nothing."

I don't know about you but we want to be great leaders for God so we are willing to pay a great price for God!

1 Corinthians 15:57-58

57 But thanks be to God, which giveth us the victory through our Lord Jesus Christ.

58 Therefore, my beloved brethren, be ye stedfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.

We have said this before and we will say it again. We are no lone ranger. We need each of you and you are so important to the work here in Latin America. Without your help none of this would have happened. You are important to the work of the Lord for each person or need that you support throughout the world.

We just want to say Thank You from the bottom of our hearts for supporting us through your faithful giving and faithful praying for this ministry that God has entrusted to us.

Thank You so Much! May God Bless You and Your Family! You are an important part of this team.

Sincerely,

Keith and Juanita Travis Jr.
